

OUR VISION

Our goal is to set a firm standard in crypto by emphasizing the importance of transparency and delivering utilities that will benefit the entire crypto space and beyond.

We will offer an efficient bridge between fiat and crypto, easing new investors into the space while simultaneously providing them with the tools they need to be safe and successful in crypto.

UTILITIES

THE WORKSPACE

THE TRT WORKSPACE WILL BE THE CENTER OF OUR ECOSYSTEM. FULLY DEVELOPED BY CEDAR TECHNOLOGIES, THE WORKSPACE IS A PLATFORM WHERE ENTREPRENEURS CAN ADVERTISE THEIR SKILLS FOR HIRE AND BE COMPENSATED IN CRYPTO.

ALTERNATIVELY, BUSINESSES NOW HAVE A CATALOGUE OF SKILLED INDIVIDUALS LOOKING TO BE HIRED AND THE ABILITY TO PAY THEM IN CRYPTO. THIS WILL ACT AS A BRIDGE TO THE WORKING WORLD, BY ALLOWING CAREERS TO BE STRENGTHENED AND INVESTORS CREATED.

TOKEN STAKING

FROM DAY 1 WE OFFERED STAKING VIA TEAM BREWLABS.

WE BELIEVE THAT INVESTORS WHO CHOSE TO HOLD LONG TERM DESERVE INSENSITIVES FOR DOING SO.

WHAT BETTER INSENSITIVE IS THERE THAN EARNING PASSIVE REWARDS?

TRT LAUNCHPAD

THE TRT LAUNCHPAD WILL BOAST A NUMBER OF STRICT REQUIREMENTS FOR PROJECTS WHO INTEND ON LAUNCHING FROM IT.

THIS IS OUR WAY OF MAKING SURE MORE AND MORE PROJECTS MEET THE SAME STANDARDS WE HOLD FOR OURSELVES. TRANSPARENCY, HONESTY, DEDICATION AND DETERMINATION

LEARN TO EARN (L2E)

WITH NEW INVESTORS COMES THE NEED FOR PROPER CRYPTO EDUCATION. SO WE DECIDED TO DEVELOP A PLATFORM THAT WILL TEACH AND QUIZ YOU ON GENERAL CRYPTO KNOWLEDGE.

YOU PASS, YOU EARN. THE MORE YOU KNOW, THE MORE YOU MAKE. WE CAN HELP KEEP INVESTORS SAFE THROUGH SHARED KNOWLEDGE AND YOU DON'T HAVE TO PAY FOR IT..IN FACT, WE'LL PAY YOU TO KNOW IT

ROADMAP

PHASE 1

V1 WEBSITE LAUNCH

CREATE SOCIAL MEDIA

CONTRACT CREATION THROUGH BREWLABS

CONTRACT TESTING & AUDIT THROUGH BREWLABS
